## 2016 Annual Premiums Data Request Update

- Thank you to all who provided data for the 2016 Annual Premiums Data Request.
- Annual Premiums data was featured in CHIA's 2016 Annual Report on the Massachusetts Health Care System, released last week.
- Work on the 2017 Request will begin this fall; more information will be forthcoming.

## Enrollment Trends Update

- CHIA regularly conducts internal Enrollment Trends simulations between reporting cycles. Payers may receive questions about **June 2016** Member Eligibility submissions if unexplained changes are detected.
- The next edition of Enrollment Trends, sourced from **September 2016** Member Eligibility data, will be released in **January 2017**.

# Medical Expenditure Trends Update

- CHIA's first Medical Expenditure Trends report will be released this fall.
- Data will be sourced either from MA APCD or payer-submitted Financial Control Totals (on a payer-by-payer basis).
- Thank you for helping us move towards claims-based reporting from the MA APCD. Payer support is very much appreciated!
