Enrollment Trends Update

- CHIA shared MA APCD-sourced enrollment counts for payer review earlier this month. These enrollment counts are based on payers' **September 2017** Member Eligibility (ME) submissions and do not reflect any additional supplemental data.
- Some data in the workbooks was provided for informational purposes only (i.e. Medicaid product types); please see the Notes for Payers section on the Main Data Review tab for more specific information on how to focus review.
- CHIA will source enrollment counts for Medicaid Product types from the MassHealth enhanced eligibility file, rather than payers' ME files.
- Please contact us with any comments or concerns about this data by **December 29th, 2017**. Feedback received after this date may not be incorporated into the upcoming report.
