# MA APCD 2019 Submission Guide Changes

---

- CHIA would like to clarify how payers should account for One Care members in their MA APCD submissions. One Care enrollment should be categorized as Insurance Type Code/Product (ME003) = “IC.”
- We will also be adding the “IC” value to the claims (MC003, PC003 and DC003) lookup tables when we update the Submission Guides for 2019.
- CHIA is looking to get more consistency around payer submissions for this population.

- MC096 (Other Insurance Paid Amount) - currently, some payers are including Medicare Paid Amount in this field and the MC097 (Medicare Paid Amount field).
- We are adding language to MC096 to make it clear that Medicare Paid Amount should not be included in the Other Insurance Paid Amount.

# Enrollment Trends Update

- CHIA shared MA APCD-sourced enrollment counts for payer review earlier this month. These enrollment counts are based on payers' **September 2018** Member Eligibility (ME) submissions and do not reflect any additional supplemental data.
- Please contact us with any comments or concerns about this data by **December 28<sup>th</sup>, 2018**. Feedback received after this date may not be incorporated into the upcoming report.
- Where populations cannot be sourced from the MA APCD, some payers were asked to provide supplemental enrollment data in **November**. We have a few follow up questions out to certain payers regarding their submitted supplemental data.
- **For questions on Enrollment Trends:** Contact your CHIA liaison and Lauren Almquist at [lauren.almquist@state.ma.us](mailto:lauren.almquist@state.ma.us)
