These amendments are consistent with M.G.L. c. 30A, § 10 and the decision in *Steward Healthcare System LLC v. Center for Health Information and Analysis et al.*, No. 1784CV03481, (Super. Ct. It is anticipated that payers, providers, and others that make data submissions to CHIA will incur no additional administrative costs resulting from the proposed changes to this regulation. There is no fiscal impact on cities and towns and no fiscal impact on small businesses.
