MA APCD Intake

- All APCD submissions through May 2024 are due by June 30th. This includes any re-submissions.
- Please work with your liaison in submitting any overdue files from prior time periods as CHIA is preparing for our next data release.
- Please be mindful when selecting the Submission Month and Year in FileSecure. If the wrong month and/or year is selected, it will deactivate previously submitted, valid files.
- CHIA continues to revisit Medical and Pharmacy Claim versioning methods with select payers. We'll reach out when we have examples to share with each company.
- Please alert CHIA if you change PBMs as that could impact pharmacy claims versioning methods.

2024 MA APCD Submission Guide Updates

- **Final versions are available on CHIA's website.**
 - Add lookup value 'X' (not listed here or intersex) to Member Gender field based on the MassHealth Health Equity enrollment system updates. Impacts Eligibility and all 3 Claims files (medical, pharmacy, dental).
 - Update PV050 'filler' field to remove reference to eVisit in Description column.
 - Test files may be sent in July. Please notify your liaison if you are planning on submitting for any of these changes.
 - July 2024 production data due by 8/31/24 will accept the new Member Gender value.
